This ebook is not filled with free information that can be found on ebays auction site it is filled with answers to questions that people are dying to find out! Did you ever search on ebay and wonder where do these guys get all this stuff for so cheap? Have you sat in front of your computer wishing you could sell on ebay but you didnt know what to do or where to go to get the goods? KEEP READING! Let us tell you exactly what you are going to learn with this extraordinary download! What you are going to read are secrets, tips and basically all around help to get you started selling and making money on ebay today! Our First section will tell you the Power Sellers Secrets to creating a Professional Auction Template and we have provided you with 2 software programs included with this purchase for you to be able to create your own auction ads for free. People viewing sellers auctions probably think they have a professional create their ads. Not True. Well have you making a Professional Auction Ad yourself or you can simply use the software we provide you with free of charge! But either way you will learn and know exactly how people make such professional looking auction ads! The Second section is our Auction Tips Section never before told nor offered any place online or on ebay there are many options to consider when you are starting off selling on ebay and we have basically covered 100 of those options! We will explain to you the 3 basic auctions that ebay allows you to post. You will be heavily educated on what each one means to you and how we can save you money, save you time and save you the aggravation of doing it the wrong way. We show you examples of how people fail on ebay and we show you using numbers how if you do it the way we say to do it you can literally save hundreds of dollars and put that in your pocket instead of ebays pocket! The Third section of our ebook is our Auction Lengths Section which covers what days, how long and when you should start your auctions. This is vital information. If you post your auction on the wrong day you can lose many, many bids. Well show you the best days and times to start

your auction up to get the most bids possible! You will find out if the Buy It Now is worth using, how many auctions you should put up and explain why! Again all Vital Information! The fourth section of our ebook is our Watch Out Section we are going to show you how sellers basically screw up by not paying attention to very important things regarding ebay we have even put in a full example of how you can accidentally eat up all your profits if you do not think! How people end up going broke on ebay because of something that is so easily over looked. Weve had people go bankrupt because they didnt think about certain things before they put their auctions up. Again, get a full example, full explanation and a Watch Out! Once you know this information and listen to it YOU ARE GUARANTEED TO NEVER SCREW THIS UP! We will make sure that you put 100 of your profits in your pocket and not someone elses! Must READ!!
