Then please keep reading on... yeah, its that important... In todays society becoming more and more business oriented, establishing and maintaining good credit is much critical if you plan to do any of the following: 1. Apply for employment 2. Rent an apartment 3. Open a bank account 4. Setup an account with public service or the telephone company As we all know that building a credit history is seems to be more important in the modern living style, especially since the laws are changing. We are moving into a system that is making it difficult for us to get ahead unless we have excellent, or at most good credit history. Credit is important to rent, obtain student loans, and apply for loans or credit cards, as well as getting jobs. Nowadays if you do not have a major credit card, it is nearly impossible to make purchases at some areas. Bad credit only leads to frustration and headaches we want to avoid. If you have bad credit, you already know how difficult it is to reestablish a respect in society. Struggling down many roads, I know you have asked over in your mind, How can I get out of debt? The truth is we all have had bad times and some of are able to get back on our feet again quicker than others do. Therefore, you are not alone in this fight to reestablish credit. Even rich people have filed bankruptcy, so do not think you are centered out from the rest of the world. Repairing your credit can be difficult to do; however, when there are so many different situation, rules, regulations and rumors floating around. How can you know where to even get started to begin getting back your good name? I had the same question just a few years ago. It seemed as if I was caught up in a never ending cycle. Between my student loans, my doctor bills, my regular financial obligations and all the other little things that seemed to creep up on me, I felt as though I just did not have a way out of the bad credit that

seemed to be eating my life. It seemed as though every day I received a collections notice in the mail or picked up the phone to hear from a bill collector. The strain and stress was really starting to take a toll on me. Something had to change! I knew I had to do something... That is when I decided I had to find out the right way to repair my credit. My dreams for the future were never going to happen if I did not get beyond my financial past. I knew I owed it to myself and my family to get a handle on this once and for all!
