

Your Pursuit Of Greatness - A Workbook

[DOWNLOAD HERE](#)

You hear phrases like Do what you love. You see it on bumper stickers Follow your bliss. And youre going to get to it, right? Maybe next year, maybe next decade. But youre also aware that, if youre lucky, you only have a few decades before your time ends. With clarity and humor but neither reverence nor restraint, Ransom proves that you have everything you need right here, right now, to transcend your obstacles and fulfill your greatest potential. Well have our cynical moments, some sarcasm, too, but always with the complete appreciation that great challenges have been met by millions of human beings. There is no compelling reason to exclude you! What you need to unleash your potential. (Hint: youve already used it thousands of times.) How to use timescale to understand where you are, how you got here, and where youre going What luck is and the three keys to improving yours How to distinguish yourself from the crowd Why the law of attraction isnt total bullshit works (hint: nothing mystical here, folks) and how to use it Where to find the people who can help you move forward How to deal with gatekeepers and how to handle ogres When to expect the inevitable frustrations and how to deal with them Why you must never forget your purpose Plus: Networking for introverts Special advice for teens This roadmap to a bigger life combines erudition and humor. -Nina Lesowitz, co-author of the bestsellers Living Life as a Thank You and The Courage Companion. . . . assures us we have the answers within and then empowers us to find them. Debra Lamfers, CPCC, Life & Leadership Coach . . . guides us with a gentle but firm hand to pursue what is best in us. But be warned, dont open this book until youre ready for greatness. This book will change your life. - Jed Diamond, Ph.D., author, Surviving Male Menopause and Energy Medicine for Men. Interactive PDF document requires acrobat v8 or higher (which was released in 2006, so you probably already have it)
