

# Treating Trauma And Traumatic Grief In Children And Adolescents - , Anthony Mannarino

[DOWNLOAD HERE](#)

This is one of the first books to present a systematic treatment approach, grounded in cognitive-behavioral therapy, for traumatized children and their families. Provided is a comprehensive framework for assessing posttraumatic stress disorder, depression, anxiety, and other symptoms; developing a flexible, individualized treatment plan; and working collaboratively with children and parents to build core skills in such areas as affect regulation and safety. Specific guidance is offered for responding to different types of traumatic events, with an entire section devoted to grief-focused components. Also addressed are ways to tailor treatment to children's varying developmental levels and cultural backgrounds. The authors' approach has been nationally recognized as an exemplary evidence-based program.
