----- Dear Friend, My name is Adam and I have recently quit my full time 9-5 job in an attempt to follow my passion in the acting world. In the mean time, I am trying to pay the rent by selling high quality digital products! I am especially passionate about selling creative eBooks like these to help others in their creative endeavors. I have purchased the rights to resell these high quality Crochet eBooks and have set the download to be at an ultra-low price considering the quantity and quality of eBooks in the pack. I hope you will find this to be an excellent resource and will gain pleasure out of these How To Crochet eBooks. Whether you want to learn how to crochet for a hobby, or whether you want to earn a living from your craft (as I am trying to do with acting) then I think you will get a lot out of this download. Many thanks for reading, I really appreciate it. Best Wishes, Adam xx ----- THIS EBOOK

The Profitable Craft Series by Maria Vowell

===== The profitable crafts eBook series is 4 volumes in total and goes through all you need to know about setting up your own arts

and crafts business to start making money from your hobby. Volume 1 includes 10 crochet projects that are known to sell well so I thought I would add this eBook to this crochet package. The other volumes are about how to make money from arts and crafts in general and I thought I would just throw them into the mix as well to give you even more value for money! Maria Vowell is the author of Profitable Crafts. Maria has been crocheting since she was 11 years old, and has over 15 years experience at selling at arts and crafts shows. At craft shows other crafters are always coming up to her stall to ask for advice. They then usually become paying customers themselves. She has helped hundreds of people turn their crafting hobby into a full time business. Maria has been designing her own crochet patterns and crafts projects for over 13 years, and has had many crochet patterns published in nationwide magazines. IN PROFITABLE CRAFTS, YOU WILL LEARN: \* How to create crafts that will sell like HOT CAKES \* How to price your products for maximum profits \* How to cut costs with the materials and tools that you use \* How to make sure your craft stall stays full of paying customers \* The best way to stock your stall to enhance sales \* How to cater for two types of customers that most crafters fail to cater for \* Provide items in super fast time Why lowering prices may make your products seem inferior \* How to convert the main types of customers into loyal, life-time paying customers \* How simple and small inexpensive gifts can hugely increase your sales \* Never become a Fake crafter \* The best way to produce your own personalized cloth labels \* Use a secret tactic that will increase your sales by 300 The manuals also include many crochet patterns that you are able to create and sell for your own profits. These patterns have a proven record of selling well and makey good money. Included in these crochet patterns is a wonderful thread-bear design that has been sold for \$300 at many craft fairs and online. It is really easy and cheap to make for huge profits. And in general, all that you will ever need to know for earning money and producing loyal and happy customers for life!

===== Product #10 -  
Trash Profits: Turning Their Trash Into Your Profits

===== This product will show you how you can still make money from arts and crafts even if you have no intention of making your own crafts! No creative skills are needed as you can just sell existing items without doing anything yourself. This Special Report Shares With You: \* How to find super-cheap handcrafter items that you can sell for huge profits \* How just used clothing and simple scissors can result in good profits \* How to get

hold of free clothing and crats, that you can sell on \* Why one persons loss, will be your gain \* Quickly assemble crafts kits that can be sold for \$10, yet cost next to nothing to create \* How to sell a simple 50 cent item for as much as \$20 \* How to make \$500 from an old bedspread \* A secret on how to make as much as \$250 by getting hold of cheap and old furniture and using the materials. This is a short and concise report that will share with you some simple tips to make money from other peoples unwanted crafts. Their loss will be your gain! ===== SUMMARY ===== Many thanks for taking the time to take a look at my How To Crochet eBook Pack. I have put a lot of time and effort into compiling this collection and writing up the information on this page so I really hope that you will enjoy using the pack. When you purchase this item it will be available for you to download straight away. You will be directed to a link where you can download your eBooks. This link will also be emailed to you just to make sure. You will have several days and multiple download attempts to make sure that you are able to get your files. It is a quick, easy and secure process. I am a very reliable seller and have taken the time to ensure that these eBooks are of high quality.
