'Ultimate RnB Piano Collection' is packed full of stunning RnB piano phrases, beautifully played with soul and feeling by a top session keyboardist. These fantastic chord progressions will give your tracks a higher level of quality and sophistication. Perfect for producers of soulful RnB, modern RnB, HipHop and Pop, Smash Up The Studio gives you an opportunity to own this special edition consisting of their 3 most popular RnB piano packs at an amazing knockdown price (normal price USD \$93.61)). Club Grooves: Urban Piano: A brand new selection of superior quality piano loops. Inspirational and highly contemporary, this pack is designed for producers of modern R&B, Hip Hop and Pop, and focuses on the very latest styles heard in R&B hits today. MIDI Keys Gold: Piano RnB & Soul: Beautiful piano loops, played to perfection and a superb selection of MIDI piano loops in the style of RnB and Soul. These fantastic chords will give your tracks a higher level of quality and sophistication. RnB Vibes: Piano: Stunning RnB piano progressions beautifully played and constructed. These are the kind of riffs you actually hear on top RnB tracks today! Fantastic chords, professionally recorded in 24-Bit audio, these 4 to 8 bar loops are highly contemporary and also come with MIDI files! This special edition collection also features all the original MIDI performances, untouched and un-quantised, straight from the artists fingertips for maximum soul and real feel. However, for those producers who prefer their keyboard loops rock-solid and locked into the beat, Smash Up The Studio has also included quantised MIDI loops with the more contemporary feel of modern RnB and Pop. Quantised MIDI files have been programmed using a Logic "A" groove, which is the equivalent of a standard straight 16. Those producers who really like to swing their drum grooves can adjust the swing factor of each individual MIDI loop to fit the groove of the beat within their DAW. This is just one example of the flexibility of MIDI loops, which when combined with a high standard of performance make this collection stand out head and shoulders above other RnB piano sample packs. 'Urban Piano' and 'RnB Vibes: Piano' also come in 24-Bit WAV and Apple Loop formats as well as MIDI and also with some of the other keyboard sounds and bonus beats heard in the "RnB Vibes" demo. Content: - 140 MIDI loops (original) - 140 MIDI loops (quantised) - 90 WAV loops 24-Bit - 90 Apple loops 24-Bit - 12 Bonus loops WAV 24-Bit - Total pack size (unzipped) 580.8 MB Loops
