Yet another goldmine of an interview! If you believed all the gurus, you'd think you can only make money online selling your own products. In this interview with Brian, Louis explodes that myth. Brian reveals how he earns HUGE six-figure sums from MLM. If you want to know the real deal behind making a fortune from successfully working MLM programs, learn from one of the best - Brian Garvin, in this excellent interview. - Neil Shearing From: Louis Allport Friday, 8:14 pm Dear Internet Friend, All over the internet -- people just like you are making fortunes with network marketing. If you're not one of them (yet), please read on... When I say network marketing I'm not talking about those silly pyramid schemes some people peddle ... I'm talking about multi-million dollar companies, with great products, that just happen to have a multi-level commission structure. Picture this: You start building your downline, and soon enough, it takes on a life of its own and pumps out money for you round the clock. Sound good? But most people don't know how to build a network marketing business successfully. And that comes with listening to the right people... Introducing Brian Garvin ... I'm guessing you already know the name Brian Garvin. Am I right? But if you don't let me tell you a little about him... Brian's usual day consists of just a couple of hours work. And what does he get for that? Over \$30,000 a month in residual income! Perhaps that sounds crazy, but that is the beauty of network marketing - IF - you do it right. You work hard at the start, then after a while your downline takes over, you do less work, but your checks keep getting bigger! Just as an example: With just one network marketing company that Brian promotes -- Life Force International, it took him two weeks to get to Platinum status (it often takes a year or more). Just two weeks! Incredible, but true. And all this by simply marketing the company and opportunity over the internet. And the great thing is, Brian's happy to share his secrets of how he does it... Get \$2,000 Worth Of Coaching From Brian Garvin ... I spent four hours on the phone with Brian recently asking him about every single aspect of his network marketing business. Exactly how

he built it up, pulls in the crazy-big checks every month, and how you can too -- whatever your current level of experience. And let me tell you that Brian's time doesn't come cheap. He doesn't actually consult because as he says He's too busy making money ... but if he did he would charge \$500 an hour at the absolute minimum. But don't worry, you won't need to pay Brian \$2,000 to find out his network marketing secrets!... I'm making available to you the full four hour transcript of the network marketing coaching I received from Brian. You get it in eBook format ... plus, you get ALL the audio downloadable in MP3 format too.
