You can actually write an ebook without actually doing the writing. Because of an interesting legal twist, you can hire a writer, and then when the writer is finished, you own the complete copyright to the work. But theres something else thats almost too good to be true: having an ebook written doesnt cost near what it costs to have a hard cover book written. Its actually pretty affordable for someone who plans to recoup their money with ebook sales. In this guide you will get ALL the information you need to have a profitable eBook written for you step-by-step. Even if you are illiterate you can be an author! eBook Creation for NEWBIES Product Rights: Includes Private Label Rights Tags: plr
