Attention: Save Gobs of Time and Effort By Putting Your Content Creation On Autopilot! Discover... "How You Can Easily Build Search Engine Friendly Sites Full Of Quality Content To Skyrocket Your Traffic and Sales With A Few Clicks of A Button!" Increase Your Search Rankings By Keeping Your Sites Full of Content Search Engines and Visitors Love, Even When You Don't Have Any Extra Time To Spare! From: Tracy Yates Dear Friend, Most websites owners know that content is king if you want your sites to thrive in the search rankings. But, when it comes down to creating it, there's never enough time in the day to add more pages to all of your sites or build new money-making sites! The result is that older ones begin to flounder away in the search results. The spiders rarely visit because there's no fresh content to attract them. This leaves pages that could be producing gobs of traffic languishing away. Search engines end-up skipping your sites by. Yet, it doesn't have to be this way. In fact, you can... Automatically Fill Your Sites With High-Quality Content Without Barely Lifting A Finger! Let me introduce you to a new solution called, "RSS Website Builder." This tool allows you build websites on ANY topic within seconds! All you enter are the keywords you want your pages built around and RSS website builders imports the content. It even automatically identifies the theme of your site (unless you want to choose it manually). In other words, you can potentially build hundreds of sites a day with your copy! Plus, RSS Website Builder also allows you to quickly uncover available domains likely to make your fortune! This means it's a one stop-shop for creating profitable sites. Here's The Full Range of Benefits You Get: Removes any fingerprint that a program is being used for generating your web pages with advanced technology - rest easy knowing everything about your websites looks "man made". Automatically determines the theme of your websites - eliminating the need to sort through all your keyword files! This is a life-saver when you're creating tons of new sites! Allows you to set the theme of your websites manually for more targeted results! If you're creating just a few sites, you can ensure they have the best possible content for your readers! Allows you to easily customize your pages for each of the websites you build - making certain they're all unique. Plus, you have a consistent look throughout your sites so you keep your visitors online longer, which adds up to more revenue! Automatically inserts valuable RSS feed news content on your web pages - and the

content is always based on the individual keyword! Your sites will have quality content that keeps visitors coming back and your pages ranked high for the right search terms! Allows you to build hundreds of keyword-based websites every day - all you have to do is supply the keyword list! It doesn't get any easier than this to cultivate a fortune in prime web real estate! Creates as many of targeted keyword pages as you want for maximum revenue from advertisers or Google AdSense! Your pages can potentially be thousands of pages large! Allows you to specify your Google publisher's ID for Ad Sense from the configuration file - yet another convenient feature that makes using RSS Website Builder a breeze to use! Produces standard HTML pages - this guarantees your websites are easily crawled and soon indexed by major search engines. Unlike other site-generating software, RSS Website Builder is extremely quick and easy to set up - it even comes with an automatic installer that configures everything for you. No advanced tech-skills required! Quickly and easily locates and purchases domains that are likely to immediately bring in substantial traffic and income. Put all of your parked domains into action, filling your bank account with more cash! Plus, much more! The key question you now need to consider is... How Many of Your Sites or Parked Domains Do You Have Sitting Around Doing Nothing? If you have more than a few or want to add more content to your primary sites, then you need a copy of RSS Website Builder. It fills your sites with quality content that would have otherwise taken a full-time staff of writers (costing thousands) to create. You can now rest assured your websites are full of content website visitors want and that keeps search engine spiders coming back for significantly more profits. What's more, it's not going to cost you a fortune to get your copy of RSS Website Builder. The investment is only \$15.00. A Small amount you quickly make back by reenergizing only a couple sites! All you have to do is grab your copy! Click The PayPal Button To Order Right Now! INSTANT ACCESS - INSTANT DOWNLOAD Easily Pay By Credit Card Via PayPal! Get Your Copy of "RSS Website Builder" Now For Only \$15 You can download it right now -- even if it's 2:00 a.m.! Sincerely, TRACY YATES P.S. A unique feature RSS Website Builder offers is that others can't tell it's computer generated. Everything about it looks like a human put his or her time crafting every page. The result is Google, Yahoo, and MSN will love to index your sites! P.P.S. If you're sites are just sitting around, producing little or no results, then you're missing-out on an abundance of new traffic you should be enjoying! RSS Website Builder quickly fills all of your sites full of quality content search engines and visitors devour to transform your sites into money-making machines!
