Are you looking for an extremely high quality eBook to offer to your list? Maybe you're looking for a powerful Adwords guide because you want to cash in big on this whole Google Adwords craze. Over the past 3 months I've been secretly writing a comprehensive, 84 page guide on how to profit with the Google Adwords system. Not only will this course teach you exactly what you need to know to make Adwords work for you... but you can brand the eBook and then actually make money by just giving it away! I'm 100 confident in saying that this course is more comprehensive than "almost" all of the paid Adwords courses on the market. You'll be very hard pressed to find this kind of high quality information being given away anywhere. Not Only Will You Make Money Using Google Adwords And Giving The eBook Away, But More Importantly You'll Build Credibility And Will Be Providing Your Customers And Friends With Very Powerful Google Adwords Strategies! Simple, Proven, money making methods for giving your Ebook away: Idea 1: Brand your copy of Google Adwords Made Easy. Write up a little email to your email list, or customer list and let them know that you've come across a fantastic Adwords eBook. Send them your branded copy. Idea 2: Sell the eBook on Ebay. Even if you sold it for 1 cent, you'd still make money on the backend if someone bought Keyword Elite after reading the eBook. You'd make \$93! Just think of the profit potential there! Idea 3: In your email signature, add a little piece inviting anyone you email, to download your FREE gift. If they read and buy Keyword Elite, you get \$93. You'll be surprised how many people will be very happy to have received your free gift! Idea 4: If anyone asks a question in an Adwords or Pay Per Click forum, and it's answered in your eBook, simply give them a link to download your branded eBook. Nearly ALL questions asked in any PPC forum can be answered by reading this Adwords eBook. Many people will be happy to get your free gift. Idea 5: When you send an email to someone asking for a link exchange, tell them that you will give them a free eBook valued at over \$74 if they will exchange links with you. Then, show them a web page that you've created that contains a graphic of the eBook. Many people will see this and want the eBook, so they will exchange links with you. Plus, if they read the eBook and buy Keyword Elite, you get \$93! Idea 6: Use Google Adwords to give away your branded eBook. You can use the eBook to entice visitors to sign up for your own newsletter or mailing list.

Plus, once they read the eBook and decide to purchase a copy of Keyword Elite, you'll be credited \$93!

Idea 7: These are just a few of the many ways you could give away the eBook and make some extra money. Feel free to use any of the eBook images below. Just "right-click" on your mouse and select "save picture as..." to save it to your computer.
