

Nonnas Kitchen Cookbook

[DOWNLOAD HERE](#)

Life in the Mediterranean home has always revolved around the kitchen, the most lived in room where mothers and grandmothers preside over the daily rituals and dramas of their families. Where food, culture and family life collide. Where Nonnas pass on the secrets to simply prepared food that uses the best of what is in season and then add their magic to help it sing off the plate, simple, colourful and nourishing. These are some of the dishes that the legendary grandmothers, the Nonnas, have cooked. These are the dishes that have nourished generations of families.
