Introducing The Quick-Start Guide To Profiting With Mobile Applications... MyPhoneRiches is a complete, step-by-step, easy to follow system that will show you exactly how you can cash in with your own iPhone Applications starting right away... You'll learn the secrets behind what makes a top seller, and how you can have your own applications rake in 5 figure days, just like in the examples I told you about earlier. Every step of the process is covered, from brainstorming application ideas to turning your brainchild into a fully working product without any technical knowledge whatsoever. Then you'll learn how to successfully get your new application listed in the App Store and how to market it most effectively to make sure it gets in front of as many eyeballs as possible. You want to strike this market now while the iron is hot. Every thing you need to know is covered in MyPhoneRiches so this is the only manual you'll ever need. Here's just a taste of what you'll learn: How to churn out applications so hot people will be champing at the bit to get hold of them The 'never fail' strategy that ensures your apps don't fall at the first hurdle (miss this and the entire development process could be a complete waste of time) Pages 43 and 44 reveal the free social media tactic that drives thousands of ready to buy iPhone owners straight to your Apps almost instantly Discover the exact kind of Apps that make customers unncontrollably reach for their wallets time and time again The top places for finding programmers who really know what they're doing (don't get taken for a ride elsewhere) How to 'hijack' the promotion efforts of the top sellers and effortlessly make $1000's in sales riding the coattails of their success Learn the number one component practically every successful App must have or its doomed to failure Discover the secret online resources that make creating successful Apps as easy as clicking your mouse How to easily make extra income on the side of your new iPhone business, absolutely hands free (many developers totally miss the boat on this one) Page 11 tells you the two single must have ingredients... without these you'll go absolutely nowhere in this business... And much, much more... bestresalerights.info/store Tags: iphone apps, iphone application, iphone riches
