

How To Hypnotize People And Other Living Things

[DOWNLOAD HERE](#)

How To Hypnotize People and Other Living Things by Wayne F. Perkins, is not just a book. It is a complete system that allows you to learn how to hypnotize other people very easily. The book contains easy to use exercises and techniques that will get you hypnotizing other people in just a few minutes.. The Perkins Method of Hypnosis involves learning hypnosis by reading my scripts into a tape recorder. You then listen to the scripts over and over again until you feel you have the right sound and the correct feel to it. You do not need to memorize the scripts. You only have to know the sequence of events that lead a person into hypnosis and then lead a person back to full consciousness. Tags: living
