When I First Started Out Online I was SO BROKE The Only Way I Could Drive Traffic To My Sites Was By Using FREE Traffic Techniques... Turned Out That FREE Was Also BEST!! From the desk of Timm Miller Hi When I first got started in Internet Marketing I was so broke I had to find ways of driving quality traffic to my websites for free. Years later I STILL use the very same techniques to provide some of my very best quality traffic, which results in sale after sale, every single month! Listen - If you don't have good targeted traffic you're unlikely to get many sales. When I started out I put a lot of work into my sales pages, my products, customer service and delivery systems. I didn't pay nearly enough attention to my traffic. The result was hardly any sales, and me going through the Job ads in my local paper because I wasn't earning anywhere near enough to pay my rent let alone pay for food. It's a good analogy actually - traffic IS food for your website. Without it, it's just die off. You NEED sales to be an Internet Marketer - Fact. And you need traffic to get sales. But what happens if you can barely afford to pay your monthly hosting fees let alone fork out for expensive ezine ads or even webpage classifieds? Well you have two choices. Either stop trying to make it online, OR Do like I did and get to grips with the FREE traffic secrets that every broke marketer needs to know in order to stay in the game. And the best part is that some of my traffic generating methods create BETTER and MORE TARGETED traffic than some of the hugely expensive ads that many people waste money on. The truth of the matter is that FREE traffic doesn't have to mean POOR QUALITY traffic. In fact, quite the reverse is true in terms of this book. I've had MORE sales from the traffic generated using my free methods than I have from Ads that I've paid over \$200 for. The proof is in the bank - I USE the methods in 'Free Traffic For Broke Marketers' every single day, yet I rarely pay for ads any more even though I can easily afford to. It's a simple fact - The FREE traffic generation methods in this book work better for me than any paid marketing I've ever used. I'll tell you: *How to get traffic to your websites for FREE - as often as you like and whenever you like *How the worst kept secret about traffic driving could be your BEST money maker. *Why PLR can be your best friend or your worst enemy (find out which) when driving traffic *The surefire methods to ensure that your articles get published by ALL directories *The main mistakes that most broke marketers make when trying

to attract free traffic *The TRUTH about backlinks *Google - Friend or foe to the broke marketer? - what you really NEED to know *How to get other people to drive traffic to your sites while you earn the money *The one simple traffic technique that can vastly increase your site visits *The 'secret' Google trick that tells you who can help you and who to stay away from *and much more.... You will have to put some work into driving traffic to your websites - this isn't a magic potion - but what you WON'T have to do is pay for it. Your chance of online success increases greatly if you don't have the expense of paying for your traffic - it means that every cent you DO earn can be either put back into your business OR used to meet your living expenses if you decide you want to quit your 9-5 job. And let's face it - your business isn't going anywhere if nobody sees your website - you need traffic to survive online. So why not combine the two and grab my free traffic methods, which also happen to be my BEST methods? You could spend a long time researching what works and what doesn't work in terms of free traffic. Or you could just grab this book now and stop wasting time that you could be spending on your business? Download this instantly and start generating free traffic NOW. To your success, Timm Miller
