A Guide to Becoming a Vegetarian If you've eaten meat your whole life, switching to a vegetarian diet might be something that could be difficult to switch to. You might also wonder why you should even consider switching. Many people figure that they have been eating this way their whole, life so why switch now? There are many reasons that you might decide to switch to a vegetarian diet. First of all, check yourself out in the mirror. The majority of Americans are not a healthy weight and this can be the number one reason for them to switch. Also, as yourself a few questions: Are you a healthy weight? Do you feel good most of the time? Do you wake up energized? Or tired and sluggish? How is your overall health? Is your blood pressure in a healthy range? Are your cholesterol and blood sugar levels normal? The fact of the matter is that most people are overweight and obese. This is because we eat too much meat and too much fat. Problems such as high blood sugar, Type II diabetes, high cholesterol and other health related problems are caused by our diet. All of these problems can be prevented by changing your diet. This eBook will show you how to do that and the difference that eating vegetarian can do for you in a short period of time. Tags: ovo, recipe, vegetarian diets, nutrition, vegan recipes
