Home Security Exposed..Never before has it been so easy to make your home the kind of place a burglar hates to see...and at a cost that anyone can afford. Don't put your home security on the back burner...burglars love procrastinators! Here is what you will learn inside this guide.... Simple Steps to improve Home Security We'll discuss everything from tactics for lighting your home, to some of the most easily missed safe-havens for burglars. You wouldn't want your garden to be the reason your house was chosen...would you? Other ways to prevent break ins. We'll look at certain types of equipment and other low-cost things you can do to make a burglar's life extremely difficult...and encourage them to simply move on and choose an easier target. Are your door locks really enough? You might be surprised to find out which door locks burglars love to see on a door. Make sure that your locks are the ones they absolutely HATE Window locks...will they really prevent a break-in? Burglars are generally not fond of noise. It attracts attention from neighbors, and means they don't have time to get the good stuff. We'll explain what locks you should look at...and also explain an extremely low cost alternative to consider.
