Anne Hooper's Kama Sutra updates and reinterprets the 2,000 year--old sexual text in a fully illustrated guide that features specially commissioned photographs and information on ways to enrich and diversify one's sex life. In this classic volume of sexual learning, Anne Hooper brings together the best of the eastern sexual teaching, the Kama Sutra, the Ananga Ranga, The Perfumed Garden, and The Tao to create a new classic that encourages an emphasis on pressure points, manners, artistic freedom, and most of all finding and pursuing a loving sexual relationship. She discourages the focus from accomplishing distorted poses-in actuality, they are advanced yoga positions-and instead has discovered the true spirit of these ancient teachings and applied the teachings to contemporary lovemaking

Chapters include: Introduction The original of Kama Sutra text dealt with more than just sex, but in this book it is more concentrated on the information that relates specifically to sexual foreplay and lovemaking
