Steal the Secret Strategy of the 25.9 Million Dollar Men Frank Kern, John Reese, and Jeff Walker Theyre all using teaser video opt-in pages to build their lists and create profit pulling empires. And now you can too! So WHAT Is a Teaser Video Opt-in Page? To put it simply, its a web page that appears to have a playable video. But when you click play youre prompted to provide your email address before the video can be viewed. What makes this so powerful and effective is the documented psychological trigger of commitment and consistency. The very fact theyve already committed and clicked on play by the time they see your opt-in form theres a much greater chance they will now give you their email address. Weve made it super easy to create your own Teaser Video Opt-In Pages. Simply choose the design and upload a few files to your site.
