best Seller Link Directory Submitter With Mrr + Free Bonus

[DOWNLOAD HERE](#)

Get any 1 bonus for FREE from our store! Link Directory Submitter is the perfect solution for sending your sites to a multitude of pre-configured online directories. Link Directory Submitter comes with 2700+ link directories to submit to, more than half ranging from PR4 to PR7. There are only 3 easy steps required: Create a profile (That is, the common data you usually have to repeatedly type by hand: your site address, link title, description, keywords, etc). This is a one-time process. Select up to 10 directories at a time that you want to submit to from the list of over 2700+ directories along with a category/subcategory for your site. Link Directory Submitter will fill in all the other details. NEW FEATURE: Link Directory Submitter will now auto select the category for your website you are trying to submit if you have included them in your website profile. Now Press Submit. Youre all done. *CLAIM YOUR BONUS BY SENDING A MESSAGE TO US. YOU MAY CHOOSE ANY ONE PRODUCT OF THE SAME OR LESSER VALUE IN OUR STORE.
