determining what happens to you. Let us break it down and look at what make your attitude your ally

really means in simple terms. First, you have to define what an ally is. An ally is basically a path you

travel down. Your attitude is the way you act, think, and treat those around you. Your attitude affects

everything in your life. It greatly affects the way you think and how others treat you. Now to make your

attitude your ally would mean to let your attitude guide you. Your attitude is going to shape everything in

your life. You are going to be traveling down the path which your attitude leads you. So, the best thing to
