Regards, Thomas Salvador. P.S. .diz? .diz files are regular text files, you can open in your favorite text editor. The extension .diz is used to enable you to put the whole product directly in a blog tool. This way you do not need to worry, that these lists/descriptions (a.k.a. not-student Loans-content) get published on your site. The blogging tool should only process .txt-files. Hence .txt is used exclusively for publishable student Loans content, but not for internal information. It is just used to make your life easier. P.P.S.
