"Give Me 5 Minutes And Ill Show You How To Get Visitors As Easily As Turning A Water Faucet." In Fact, Ill Show You How The Perpetual Traffic Generator Can Automatically Send Your 800 or More Visitors In An Hour To Your Website Without You Lifting a Finger, 100 Guaranteed! An Open Letter To Every Net Marketer Frustrated By Trying To Increase Their Traffic, Grow Their Business, Put More Money In Their Pocket And Going Nowhere! From: The desk of Jo Han and Alex Dear Traffic Hungry Netrepreneur: If you'd like to learn: How to drive an ongoing stream of people to your site everyday without working your fingers off for it. Automate your Start Page traffic surfing, building credits in multiple programs at the same time! (This alone will save you hours of time and leverage your credit surfing!) How to combine click thru marketing and banner advertising to generate over 60,000 banner impressions... all for FREE! Then this might be the most important letter you'll ever read. Let me explain. I have just finished completing a new tool that: Increases your traffic by a whopping 927 Allows you to generate traffic 24/7 absolutely FREE! Frees you up from clicking away mindlessly in front of the PC to chalk up traffic credits. Just set it up and itll do all the work for you. Sends a stampede of visitors to your website the very day you invest in this incredible web marketing tool Makes you kick butt profit in the traffic generation process Now, you're probably wondering how and why we can do all those things. Let me explain. The Modus Operandi There are many websites popping up on the net that are known as TRAFFIC EXCHANGE programs or Surf For Hits programs. People become members of these sites with the goal of generating free traffic to their site. The way it works is a no-brainer. You visit another member's website and in exchange someone visits the website of your choice. Now, most of these programs work on a 1:1 ratio. This means that for every site that you visit, someone else in that same program will visit your site. Now, if you were to visit 300 sites and the surf for hits site was working on a 1:1 ratio, you would receive 300 visits to your site! Simple concept, isnt it? The great thing about these programs is that you are rewarded for your cooperation and efforts with GUARANTEED traffic to the site

of your choice, without having to spend a dime! One of the biggest benefits from these programs is the ability to develop a downline of "Click Thru'ers" that will generate 1,000's upon 1,000's of click thru visits to your site over time! In other words, you receive credits for the credits they chalk up for themselves! The BIG problem Thats great, but the PROBLEM is, if you wanted to use several of these programs at the same time, it would be hard for you to do so, because most of these sites require you to make them your START PAGE. Since you can only have ONE start page in your browser at one time, you would need to switch back and forth thru programs to generate traffic with each of them. So technically, youd be a human clicking machine that does nothing except click click click, then click some more. Doesnt this go against the FREEDOM that Internet Marketing promises you? How about the promises of Free yourself from the drudgery of your day job, Spend time with your loved ones. You feel disheartened and disappointed. Suddenly,the FREEDOM and PROFITS promised to you by Internet Marketing become a far fetched idea, and youre on the verge of turning into a zombie or a sideshow thats called the Incredible Human Clicker (How about a Guiness Record for most number of mouse clicks in an hour?) But What IF What if I showed you an incredible web marketing tool designed specifically to help you over the traffic generation dilemma and show you point-blank how to target hungry net surfers that are interested in what you have to offer? What if the concepts, ideas, strategies and techniques in that program are so powerful, yet so deviously simple that anyone who wants to can apply them to their own specific situation? And what if acquiring this incredible new system is so ridiculously affordable that you'd have to be absolutely out of your mind not to become part of it? What if I told you that we have made it possible for you to use these programs, all at the same time, without having to click for hours each day to earn credits!?! (Ok, so you do click once to activate the Perpetual Traffic Generator, but that wouldnt REALLY BE THAT TIRING RIGHT? *Grin*) What if I also told you that we have also developed a simple yet POWERFUL way that will show you how to get hordes of people in your Surf For Hits downlines, so that you can get HUNDREDS if not THOUSANDS of EXTRA hits to your site, EVERYDAY, WITHOUT YOU LIFTING A FINGER! Traffic is an incredible commodity. Its priceless.Its also probably the most important and the most frustrating part of online marketing with it you can sell products and services to an interested market without it you flounder like a listless raft in the middle of the Pacific ocean - you go nowhere! What really counts, is targeted traffic. Once you have traffic you can turn it into a powerful profit-producing machine. It'll make marketing your products and services seem almost effortless - you'll know exactly how and who to promote your products to you'll be able to beat every other Internet marketer out there at their own

game without having to resort to shady programs or having to compete to be noticed and You'll Be Able To Create Your Own Internet "Cash Machine" Allowing You To Achieve All The Goals You've Set And Enjoy The Freedom And Lifestyle You Want! Your website or product's profitability and success is directly dependent on how much traffic, targeted traffic, you get. If you don't get any (or few) visitors then it's practically impossible to grow your business and see a profit. But get 1,000, 5,000 or 10,000 (or more) visitors a day, week or month and you'll begin to see a "snowballing" effect that'll let you generate cashflow and begin to build the structure for the life you've always wanted. Unfortunately, generating traffic is probably one of the biggest frustrations most net marketers have it's sort of like a dog trying to chase his own tail, you go round and round and round but eventually end up in the same place you began, loopy from the dizzying whirl! Few of the methods being thrown about online work, others are a complete waste of time and money. Now, I know you're probably skeptical. That's normal and healthy. Three Good Reasons To Believe What I say Let me give you three good reasons we can back up what we claim: Reason One: Right at the core of the Perpetual Traffic Generatoris a proprietary script that automates the whole traffic generation process. It chalks up traffic credits automatically without you having to do a thing. Yes, it literally BUILDS traffic three ways. a) It accumulates traffic credits for you while youre doing the things that matter most, like going to the gym, swimming, golf, or fishing etc. *grin* After the initial click to

get it going, EVERYTHING ELSE IS COMPLETELY HANDS OFF. Therefore, your traffic is 100 guaranteed! b) In the process, it builds a traffic generating downline that sends even more hits in addition to those it generates. So, you get traffic from the efforts of your downline without you having to do anything. This is true passive advertising. c) It generates hits when people LEAVE your site. You simply cannot fail with this incredible proprietary script. Reason Two: Since this script does all the work, it takes the onus off you in generating the traffic. All you do is sit back and relax, and let the script do the work for you. Reason Three: Weve spent countless hours researching and selecting only the best traffic generating programs, and these are guaranteed to deliver the top notch traffic you require. Perpetual Traffic Generator Is Your Complete Traffic Generation Solution! Check out its features: You do not need to upload the script to your domain. Run it right off your computer. Youd be able to set your home page to just 1 URL and have all your start pages rotated automatically When the amount of time that you have set between the opening of new pages expires, a new page will automatically open, allowing for enough time for your next start page to automatically credit your account. If you have just one start page that you like to use, just enter that start pages URL twice - set the second timer and every time that your account is credited, the script will automatically open that page again so that your account will be credited again and again and again. You will never have more than two pages open at one time No more clicking and clicking each and everytime your start page automatically credits your start page account Automatically rotate all of your start pages unattended! Breakthrough system can run 247/365 working around the clock You can also easily customize the script to promote any affiliate programs. This is especially useful in running an affiliate ad campaign, and you can promote as many URLs as you want. Perpetual Traffic Generator Is Completely Dont Make Me Think Compliant All you have to do is follow 9 simple steps. There is no hassle, no maybe, no "I think I'm gonna try", nothing else than a real fast start because you will simply follow CLEAR STEP-BY-STEP INSTRUCTIONS: In step 1: You do this, you go there, and do that precisely In step 2: You do this, you go there and do that, that's it! In step 3: ...You just cannot fail this easy process that directly leads you in a straight line to visitors and cash into YOUR pockets. IT IS THAT SIMPLE !!! You'll love this: All the secrets are explained in a short format. It cuts right to the chase, down to the nitty gritty core. It is Not 1000 pages long of bla bla bla of technical jargon or crap and fluff. Warning: Do NOT Buy Any Traffic Generating Solution Unless It Meets The Following 6 Criteria There is a lot of confusion surrounding our field. I want to give you 6 criteria or elements you absolutely, positively

must have in any solution you obtain: One: It must be hands free. We Internet Marketers have more important things in life to do, like going to the gym and fishing. : -) Two: You MUST be able to profit in the process. Three: It must comply with "Don't Make Me Think". We have more than enough things in life to think about than to scratch our heads over a poorly written manual that is stuffed with jargon, grammatical errors and fluff. Four: It should be a one time investment. Five: It must be able to pay for itself. Preferably within a few hours of purchase. Six: It must work. You Get At Least 10 Times Your Money's Worth With The Platinum Resellers License! Quite possibly the feature you'll love most about the Perpetual Traffic Generatoris it's cost. The script itself is worth thousands of dollars in sales to you, but the actual investment is very small... just $1.50 -- that's less than the price of a regular ezine ad! Please be aware that this super-low price is not going to last forever. I've gotten leads for this same script at prices as high as $127 but right now I am conducting a marketing test on ultra-low prices. In a few days the testing period will be over and the price of the script will go up again - chances are it will be set around the $90 ballpark. You also get the Master Reprint Rights to this very letter youre reading. Bearing in mind that I charge up to $1200(Not including royalties) for a 2 page control piece, youre getting thousands worth of copywriting services free.Also, you get a lifetime of FREE Traffic, so how much is that worth? : -) In summary, here's what you get: Platinum Resellers License for the Perpetual Traffic Generator($997 Value) Master Reprint Rights To The Perpetual Traffic GeneratorSales Letter ($1297) Full Customization Rights ($127) Unlimited Lifetime Updates and Upgrades ($77) Total Value: $2498.
