Public Domain Mastermind contains a literal whos who of todays most successful Internet marketers and public domain experts. Only the best of the best were invited to participate in this teleseminar and they all had to agree to spill their guts and reveal their most closely guarded secrets. This program contains the stuff you've never heard before the secrets you have always wished you knew! Each speaker will take you behind closed doors and reveal how they use public domain works to reach astronomical success in simple and concise detail. Youll learn from such well-known experts as: Russell Brunson Founder and owner of TheLostFiles.com, a website that allows Internet entrepreneurs to obtain hot public domain products without the worry of research and creating marketing materials. James Jones Publisher of Kick Butt Business Ideas, which produces products designed to help entrepreneurs start their own home-based businesses or create additional revenue streams for an existing business. Dave Vallieres Editor of The Public Domain Report and an Internet entrepreneur who has made his living creating digital information products and marketing them online and offline. Heres an Example of What Can be Accomplished Using Public Domain Information Dave Vallieres currently publishes three books that contain 100 public domain information. These books cost him \$13.50 when he bought them at a used book store. Since there are no royalties due to the authors, he gets to keep 100 of the profits when he resells them. He scanned them into his computer and sells them in hard-copy format and as ebooks. These three books alone now earn him thousands of dollars a year in profits and the best part is he doesn't pay a penny in fees or royalties to anyone! After subtracting his minor marketing costs, the sum

total of his profits so far from just these three books is staggering! Could Public Domain Experts Who Routinely Earn Hundreds Of Thousands of Dollars a Year Teach You Something About Becoming Financially Secure? You bet they can. If you are sick and tired of just dreaming about achieving prosperity and financial security and want to know the secrets that will allow you to take advantage of public domain works to produce additional revenue streams for your business then its time to get the advice and instruction you need to succeed! This teleseminar will answer all of your questions, including: If I republish a book from the public domain, what is to keep someone else from copying my work and selling it? Since its in the public domain, couldnt they just copy and sell it as their own? If I find a book, scan it and change it, do I need to file for my own copyright? How do I register for a copyright if I need one? How do I scan a HUGE book so I can get it into print format without it costing me a fortune? What should I say to people who challenge my rights to republish a work in the public domain! Why Project Gutenberg isnt a great place to find public domain info? Where are the best places to look for quality public domain works? Why would an old public domain book be of any interest to someone today? And much, much more! Now is the Time to Discover the Incredibly Low-Risk and Extremely Profitable Strategy of Creating Hot-Selling Products By Using Recently Expired Copyrighted Works That are Now in the Public Domain! Heres how it works: "public domain" refers to anything that is NOT protected under US copyright law. This includes ALL works published before 1923 AND, under certain conditions, works published up to 1978. A work can be anything: a book, movies, plays, songs, photographs, instruction manuals, posters, courses, reports, etc. Republishing and repackaging public domain works and other information can generate huge profits and the reason why is pretty simple with public domain information you do not have to pay any royalties or copyright fees whatsoever! Thats right, you can repackage, republish and resell a product and keep 100 of the profits without paying a penny in product purchase fees, royalties or copyright fees! And now in the Public Domain Mastermind, Brunson, Jones and Vallieres take a process that has largely been kept secret by those who excel at it and pull back the curtain so that you know exactly what to do to make the most profits possible! Youll learn: What the legal requirements are when working with public domain information How to find public domain works that can easily be turned into in-demand products How to use public domain works as content and make money without even selling ANYTHING! How to market your public domain works to ensure they sell like crazy and produce huge profits So How Much Would You Expect to Pay for Advice and Information That Quite Literally Could Change Your Life and Allow You

to Achieve Your Financial Dreams? Certainly, hundreds of dollars would not be unreasonable but relax you wont have to pay near that much for Public Domain Mastermind. In fact, right now, for a limited time, you can take advantage of my special promotional offer and receive Public Domain Mastermind for just \$47! This is a tremendous value and an unbelievable opportunity to kickstart your business and put yourself on the fast track to Internet success!
