An incredible resource, Clement's report saves you valuable time dredging the Internet for that perfect plugin to solve your WordPress needs - I recommend it heartily! -David Pankhurst, ActiveBlogging ActiveBlogging.com Clement's ebook, "The 118 Most Useful Plugins For Your Wordpress Blog", is a great timesaver for me. I use WordPress for a lot of things, as well as for my clients. There are a lot of plugins Clement mentions that I didn't even know existed. What a great resource! I'm excited about it, and so were my clients when I showed them the additional plugins I discovered in this ebook. Way to go, Clement! -Dave Gammage TheHBL.com I am very impressed not only by the quality of your report but with your very professional manner of handling the purchase. The report has helped me tremendously as this is something I have

been looking for and it certainly saved me much time. As this is only your first effort, I would not be surprised if you became a top IMer. -Barbara Gathany Very cool and informative report......neatly puts everything in one place. Thanks.....can't beat that price! -Ed NicheEmpires I just want to comment on Clement's great service. I must have messed up when ordering because I paid for the Customization Kit but only got the download for the report itself. Clement emailed me, then made special arrangements for me to download it. And this was for an inexpensive report. Not exactly a profitable use of his time, unless you look at the need to provide good customer service. I'm happily impressed. The report itself is great and is well worth the price. Add the great Warriors standing behind it, and the fact that John Delavera is willing to put his name on it. You have the closest thing to a no-brainer that you're ever going to get this eBook. If you use WordPress, invest a little and get this report!
