Here's An Unsolicited Testimonial... Hi Munya, A strange thing happened today. You see, I've only been looking into internet marketing for a few months. Trying to find what works for people and what doesn't. What sells etc. Write a couple of my own e-books, downloaded loads and loads of books and software from the many lists I've joined etc etc. My hard drive is overloaded with e-books and software that is either old or doesn't work. The strange thing that happened? I downloaded your Opt-in Page Generator fr.ee software and it worked!! It does, as they say, "exactly what it says on the box"! Straight forward, simple and very impressive! This morning I was a bit deflated having tried over the weekend to get autoresponder scripts and products and stuff to no avail. Now, I feel more motivated to carry on! Many Many Thanks!!
