

# Make Perfect Wine And Liquor From Home With

[DOWNLOAD HERE](#)

Special Master Resale Rights Offer - Due to being heavily involved with other projects I have had to concede that I will not be able to market this neat little niche book. As a result I am offering master resale rights at a ridiculous \$1.97! The resale rights ordinarily sell for \$97 (so this is a bit of a bargain. Calling Wine Lovers Everywhere! Attention: If you have ever wanted to experience the pleasure, satisfaction & prestige that comes in making your own outstanding wine then this letter is for you. "Learn How To Make Wines & Spirits So Incredibly Flavoursome & Delightful That No-One Could Resist A Second Glass - Right From The Comfort Of Your Own Home!" Dear Fellow Wine Lover, Thanks for taking a few minutes to read this letter - If you have ever wanted to learn how to make your own delicious wine & spirits (or discover the exact secrets to do it right) then this is one of the most rewarding letters you will ever read. You see, this eBook is simply the ultimate resource for anyone who wants to learn how to make outstanding wines & spirits from their very own home - whether they are a complete newbie or already an experienced wine maker. Not only does this fantastic package take you by the hand to explain everything you need to know to create perfection, but it also provides over 90 wine & liquor recipes & tutorials so you can make exactly the type & flavour of wine that you want. There is more on this below, but whatever type of wine or liquor you wish to make, you will almost certainly have a step-by-step blueprint for it with this eBook (over 70 pages crammed with how-to information, tutorials, recipes & home-wine-making secrets). You'll even learn how you can create your very own unique, signature wine that is unavailable anywhere else in the world. In short, if you love the thought of making perfect, flavoursome wine of all varieties then you'll find this eBook priceless. Making Perfect Wines & Liquors From Home Is Easy - Once You Know This Simple Step-By-Step Formula! Making your own delicious wines & spirits is not only relaxing & rewarding but brings with it a status of prestige and creativity - there is nothing quite like the warm feeling of watching family & friends enjoying the wine/liquor that you have created yourself, seeing them reach for that last bottle and help themselves to another delightful glass of your creation. But making wine from home is hard right? Far from it - in fact, when the simple steps in this eBook are applied, making your own delicious wines that your house-guests just can't get enough of is absurdly simple. Not only is it so easy

that even a child could do it (which of course is not recommended), but it is also very cheap requiring no special equipment or knowledge other than what's in this book. You could get started within the next 5 minutes! The secret, simple do-at-home procedures that you will discover have been used for years and proven to consistently produce outstanding wines & spirits - all done from home with the same ingredients and equipment that almost every kitchen already has. You could off course try and start without this knowledge, without the huge database of recipes and tutorials, without the proven tips & tricks that only a handful of people know - but why? It would probably take you several years of trial and error and a lot of money to get the same formula of winning techniques that are in this eBook - remember, the amazing step-by-step instructions that you will have immediate access to are proven to produce outstanding results for making wine from your own home - again and again. This is the ultimate resource for any Here is just a small sip of what's in this vintage bottle: The Basics Of Making Wine At Home - Exactly what you need to get started including a complete introduction for newbies who have never tried to make wine before. The essentials of home wine making & how applying some little-known secrets can transform your home wine from "nice" to "incredibly flavoursome." Which common utensils & equipment to use (you'll almost certainly have these at home.) In-depth tutorials on The Art Of Fermentation, Fermentation Aides, The Clearing Process, Sterilization, Siphon, Bottling, How To Store Wine, Maturing, All About Yeast & Much much more (the book itself is over 70 pages long.) The "Natural Enemies" to successful wine making from home & how to stop them dead in their tracks. Over 90 step-by-step recipes & tutorials on making the wine or liquor that you want to make - you just can't find this level of depth anywhere else. The common ingredients available at home that can be used when you can't find the special ingredients that some wines supposedly require. If you are a wine/spirits lover, or even if you want to save a LOT of money by creating your own fine wines & spirits at home (you would not believe how cheap it actually is to make your own alcohol) then this is one resource that should certainly be in your collection. So how much is this information going to cost you? Well I'll tell you right now, it's a drop-dead bargain - but we're getting slightly ahead of ourselves because right now I want to show you just a taster of the type of wine/liquor recipes & tutorials that come with this amazing package: 32 berry wine recipes. 20 recipes for making wine from extracts. 4 techniques & recipes for making wine from citrus fruits. 10 in depth recipes for making perfect flower wines. Tutorial on making home wines from dried herbs - including 8 easy make-it-now recipes that you can start today. A further 9 make-from-home tutorials including recipes for

creating stunning wines from dried fruits & grain. Tips on creating your very own signature wine. In depth tutorial on making wine from grapes including 6 ready to follow recipes. Several recipes & tutorials on creating splendid liquors. Also a special bonus chapter on creating Wines That Are A Hit With The Ladies! "Amaze Your Family & Friends With Marvellous, Flavoursome Wines That Are Every Bit As Good As Those In Up Market Wine Shops" Let me tell you, there isn't any book out there that gives amateur wine-makers this level of high-impact information, tutorials, recipes & step-by-step procedures and techniques to create superb home-made wines & liquors. So how much is all this information going to cost you? The scores of recipes, tutorials, step-by-step instructions and all the rest of it....\$97? Maybe \$49? No, not even close. I want this book, it's tutorials, recipes and proven home-wine making techniques to be available to everyone who wants it. SPECIAL OFFER - ALL THIS FOR \$FREE WITH PURCHASE OF FULL MASTER RESALE RIGHTS FOR ONLY \$1.97 (A \$97 DOLLAR VALUE)! LIMITED TIME OFFER!! I really can't guarantee that this absurdly low price can be maintained - I have been told by many that I'm somewhat crazy for charging such a low price for such a great resource. But as I tell them, I am not in this for the money - I have taken a great deal of time and pride to come up with this book and I want to give everyone who has a curiosity about making their own fine wine a chance to do so. Best of success, Global Publishing. This eBook is in Adobe (.pdf) format (the professional standard for all eBooks) and can be viewed by all PCs & MACs. As soon as you purchase via our secure server you will be taken to a download area where you will be able to access the eBook and get started making your own magnificent wines immediately - even if it's 2.30 in the morning!
