How to transplant your brain with your prospects using my proprietary 'Core Customer Connection' system How to write in a way that looks normal to everyone else but your chosen reader will home in on it like a guided missile and know you are talking to them! Learn to effortlessly absorb powerful writing like a sponge so you can write like a master without the steep learning curve How to avoid the devastating mistake people make when they first learn these powerful techniques (almost as bad as not knowing them in the first place!) The 5 devious psychological triggers you can implant into your writing to get what you want! 100 power words you can use to make explosive headlines and bullet points, use with care! Why storytime could become your most profitable time of the day and how to use it to build instant trust Two ways to take bland writing, squeeze some special sauce onto it and turn it into a sizzling writing sensation! And so much more! Tags: net, web
