New to eBay? Looking to Increase Your Feedback? This method of getting feedback is simple and falls within all eBays Rules! When starting out on eBay your feedback or lack of it can limit your ability to buy and sell on eBay. How? Your feedback score represents the number of eBay members that are satisfied with the transaction that has taken place between you and the other party. So it stands to reason , that the higher your feedback score, the more comfortable someone will be when they look into doing business with you. But thats not the only reason! In order to list a Dutch Auction you need a feedback of at least 30. If you want to list an item as Featured Plus youll need a feedback of ten or more. Bonus Items! With purchase you also receive Master Resell rights and a copy of this auction template!
