

# Beginner Guide To Hores Training

[DOWNLOAD HERE](#)

Discover The Secrets to Becoming A Horse Trainer! Dear Friend, You have wanted a horse for years, but didnt have a place to keep it. Now you have the land and you want to buy a horse or maybe you have already bought the horse, you just dont know anything about training a horse. You dont know where to start and you dont want to hire a trainer because you want to be a big part of the training. You are wondering if you have to go to school to learn to train a horse or do you learn from watching videos or even by just reading a book. Will a book tell you everything you need to know? For that matter will a video give you all the ins and outs of training a horse? You know a little about riding, but those horses were already trained. You have never even been around an untrained horse. How hard can it be? You love animals and you love horses and horseback riding. You have plenty of room for a horse now. You talked to a trainer about training a horse, but he wont let you be there while he is training the horse. You really want to be in on the training. So the only solution you can think of is to train the horse yourself. You have to learn but you can do it. It shouldnt be that hard. You will have to do some reading up on the subject, maybe even several books and there are probably videos too you can watch. So that is it you are going to find you a horse to buy. You about how much a horse will cost you. You know about how much it will cost to feed them for a year. Of course they need shots and checking out with a vet. You have even thought of that and know how much that will cost. When you called that vet to ask for advice, he said he would go with you to help you pick out the horse, so that you will get the right horse for you. The only cost will be the cost of checking out the horse. He should be able to tell me if the horse is in good health before I buy it. Dont want to buy a horse that is going to run up a ton of money in vet charges. This will work out well. Of course there is still the matter of training a horse. Training Your Own Horse... You can learn how to teach your horse to back up, load on a trailer and how to be a good riding horse. If you have the time and the patience, you can train your own horse to be a good riding horse. The key to training your horse is to understanding how horses think. How are you going to learn how horses think? Horses cant tell you what they think anymore that a dog or cat can tell you what they think. I dont have to hire a horse whisperer do I? So where do you find all of this information. The Beginners Guide to Horse Training This guide is a

wealth of information about horse training. You will learn about your horse and how to train him to be a good riding horse. If you have never trained a horse you will want to read this guide. With this book you will learn to understand your horse and how your horse thinks. This will help you understand why horses are the way they are, and why they think the way they do. You will learn to teach your horse the things you want him to know. First you will learn to teach him to obey you and to look to you for instructions. You will need lots of patience when it comes to training a horse. It wont be easy, but you can do it. And lead them into the 2 main benefits below... Teach Your Horse Whose the Lead Mare 1) You want your horse to think you are the lead mare. Then he will look to you for instructions. There is a way you can get your horse to think of you as the lead mare. As your horses lead mare, he will follow you and wait for you to tell him where to go. 2) You can train your horse to go in the direction you need him to go. You will train him on stopping. You will train him to go forward, turn right and to turn left. Here is what you will learn inside this guide.... How Much Is That Worth To You? With this guide you can have your horse trained in no time. You will need lots of time and patience when training a horse, but this book will help you avoid making mistakes that you will have to undo and retrain your horse. The key to training your horse is understanding how the horse thinks and by using that knowledge to your advantage. You never want to abuse the knowledge, but you can use the knowledge to your advantage. Once you understand your horse you will be able to train him to do what you want him to do. I am sure there are fancier hardbacks out there on the market with big colorful pictures, however the information you will get inside of this Horse Training guide is practical information that anyone can use successfully. This guide is not marketed towards the rich or the poor, it is marketed for anyone who wants to be able to become a horse trainer. How much is that worth to you? I know; Priceless.
