Cpa Content Wizard

[DOWNLOAD HERE](#)

The CPA Content Wizard automatically schedules and posts highly sought after content. Then it monetizes each post making you MONEY 24 hours a day, 7 days a week, 365 days a year. * Get Highly Sought after Content delivered to your blog automatically. * Post that content right away or schedule the posts for a more natural blog presence. * Hungry Visitors quickly come to YOUR content with very little promotion (We show you how to get a flood of visitors right away) * Monetize each link clicked. MAKING YOU A LOT OF MONEY!!! * The CPA Content Wizard Automatically Locks Down Your Content and forces people to complete your CPA Offers. * You can determine the delay between you offers (1-minute wait time or infinity). * You determine the length of time your visitor can access your content, via cookies, before they must fill out another offer. * You can list as many as five (5) CPA offers your visitor can choose from to complete. * No HTML or PHP knowledge needed to create your offers and can get them up and running quickly. * You can turn off the CPA Content Wizards content protection system with a simple mouse click.
