

Business - Mba. Audiovocabulary. French - English

[DOWNLOAD HERE](#)

It is estimated that over 400 million people across the world speak English as their native language and that puts it in third place after Mandarin Chinese and Spanish. However, if the number of people in the world who speak English as a secondary language is added to that figure, there are more English speakers in the world than any other language. English is so widely spoken on a worldwide basis that it has often been referred to as the global language. Business deals, technical publications and international financial deals are very often carried out in English. So, an understanding of this language is an important skill for anyone who wants to do business on an international level. In this course we propose: 3000 words for you business profession/study. The Course explores different fields of management like: - Human Resources - Marketing - Business Finance - Accountability - Project management - Import / Export - Organization - Globalization - trade services - job etc.. In sum: many of the words you need to succeed in any Business activity.
