

110k Unique Wordpress Blog Links For Scrapebox

[DOWNLOAD HERE](#)

Unique Wordpress Blog Links for ScrapeBox and Xrumer. I have used my own custom blog analyzer to scan each and every blog to ensure that "wp-comments-post.php" is located in the page source code so the success rate should be pretty good with ScrapeBox or xRumer. Download is just a text file containing one url per line, ready to import into ScrapeBox or xRumer.
