Who Wants FULL PLR RIGHTS To My Video Blog Sensation Minisite Package, For One Lousy Dollar? Video is HOT! Blogging is HOT... I Guess That Makes Video Blogging RED HOT? Heres a sneak preview of what you get if you invest the princely sum of \$1 today! 1. Fully Editable Video Blog Sensation Report (PLR) This brand new, 24-page report is available in Word and Open Office format so you can edit it easily in your preferred word processing software. You get full PLR rights to this report so you can edit it as you see fit. 2. Ready to Go Rebrandable Video Blog Sensation Report (MRR) If you dont have time straight away to edit the report, I also included a rebrandable PDF version of the report as a bonus. You can rebrand the report using your own Clickbank ID to distribute it as it is, with no further editing required. 3. Professionally Designed Minisite You get this striking, professionally designed minisite which has been created as a squeeze page to promote the Video Blog Sensation report. You can of course edit the pages as you see fit to create a more traditional sales page if you wish to sell the product rather than give it away. BONUS: I have also included a blank page to create your own Thank You, Upsell, Download pages etc. and include your own offers, bonuses etc. 4. Selection of Ecovers You will also get a choice of three variations of the ecover, available in 200px, 350px and 500px in both JPG and PNG format! Impressive, huh? Why Should You Buy This? Apart from the fact you are getting... 1. A full PLR minisite package for a red hot topic 2. Its \$1... (one fricking dollar, ffs!) Well, here are just a few benefits of investing in Video Blog Sensation right now: This is a high-quality, ready-made product you can give away or sell to your list within minutes. Instead of taking weeks to research and create your own product and fork out even more cash for the design work - you can satisfy your subscribers hunger instantly! You can also resell the PLR rights to your list for a fast profit! You are able to get your hands on this entire package for next to nothing - reselling it and giving your subscribers the opportunity to make money from this is easy money for you! Video is hot and you can build a list in this lucrative sub-niche by giving away this product. Either edit the PLR or give it away as is. You can rebrand the report to feature your own affiliate links, so even if you cant be bothered to do a full-on edit, you will STILL make money! Even if you give the report away for free you can still promote highly lucrative video products such as Easy Video

Player within it. Easy Video Player is one of my best earners as an affiliate! INSIDER SECRET: I make more sales on the upsell commercial version than I do the regular version, banking me daily \$93 commissions! If you want to increase your product portfolio for a ridiculous one-time fee and offer your subscribers and customers something brand new today, you know what to do...
