Finally! Find out why some people almost always succeed. "Who Else Wants To Stop Living A So-So Life Where Nothing Seems To Change?" Live A Life You Can Be Proud Of, Step By Step, And One Goal At A Time! Absolutely nothing, I say. Nothing is impossible. We all heard in school over and over again, "You can do anything you put your mind to?" So many people, maybe you, but certainly me... ..so many people only did with that line what we do with most great advice at a young age. Nothing. We heard it, but we didn't listen to it. Listen, somebody has to be President. Somebody has to be CEO of the company. Somebody has to graduate at the top of the class. Why can't it be you? Millions of people eat healthy every day. Millions of people live their lives debt free. Millions of people go back to school. Why can't you? Chances are, the only thing keeping you from reaching your goals... ..is you! A time comes in every person's life when they need to sit down and really think about their goals. Every person dreams. But not everyone can come up with a plan to realistically set out after their dreams. Those people just need a little help. Some good solid advice. Advice that you can find today within... ..Your Guide To Setting Goals Successfully! Greetings Friend, Give me 20 minutes and I'll change the way you view the rest of your life. No matter what it is you wish to do. Be it learn to be a better cook or run in your first marathon. Any man or woman who ever set out to do such a thing first made it a goal. The feeling a person gets after just climbing Mt. Everest is the direct result of them knowing how to take steps towards reaching their dream. That knowledge got them there. How long has it been since you got that feeling of accomplishment? What are your dreams? Your aspirations? What in this world do you want to do before it's too late? And what did you do today to get you closer to that goal? (If you haven't done anything yet, it's not too late. I'll tell you more in just a bit.) If you want to change your life forever, you'll master the ability to set a goal - then reach out and grab it. If you can learn how to successfully reach your goals - nothing in this world can stop you. See How Easily You Can Reach The Life You Always Dreamed! Deciding in one moment to get out of debt can seem very overwhelming. Taking the first step towards starting your own business can seem like your jogging the first lap of the Indianapolis 500. But what successful people know that others don't... ..is that it you meet your goals by tackling them realistically, step by step, and with

The worst thing that can happen is that you wake up in ten years and realized you missed a great opportunity. No matter what you want to do. Write a novel. Change your diet. Get better grades. Take up a new hobby. Run for office. Learn another language. Do some spring cleaning. Or whatever your heart desires. It all starts with taking the first step. And that step is on page 5 of my report. But my guide won't teach you how to just reach your goal of losing 15 pounds. It'll teach you, step by step, how to completely change the way you live your life. Starting with life time goals, and starting with page 6, I'll show you how successful people start planning their life 50 years in advance. Can you imagine? Where do you want to be in 25 years? 10 years? Next month? When you dig through my guide, you'll find the value of planning your life backwards. (I explain what I mean on page 23) Successful people are dreamers. They envision what their life will be like in 25 years. But then they take steps today to make sure it happens. "Your Guide To Setting Goals Successfully" will take you by the hand and have you setting goals for 25 years from now. And help you figure out what you can do tomorrow to start putting yourself into a position to make your dream become a reality. "All men dream: but not equally. "Those who dream by night in the dusty recesses of their minds wake in the day to find that it was vanity: "but the dreamers of the day are dangerous men, for they may act their dream with open eyes to make it possible." T.E. Lawrence (Lawrence of Arabia) Seven Pillars of Wisdom You can change your life today! Remember I asked you before what you had done today to bring yourself closer to your goals for tomorrow?
