The Shocking Truth About Guerilla Marketing Exposed. Finally...Explode Any Business For Little or No Money Guaranteed! Dear Friend, Pay Per Click, Banner Ads, Pop-Ups, Mailing Lists, Newsletters. The way you can advertise your business or website is endless. What do all of these have in common? They cost money. Often, they cost a lot of money in the long run and especially now a days provide very little or no return on investment. Youll pick up a handful of guides on how to maximize these various marketing tactics and youll walk away feeling cheated. So... How much are you spending every day, week, month and year on advertising? Anything over \$1 a week is just plain nuts and youll soon see why. You must be skeptical but give me a couple minutes of your time and youll be glad you did. I am not in the business of lying, Im in the business of Internet Marketing. Specifically I am in the business of showing other people how I achieved and achieve immense success in this game. For little or no money There are countless ways you can explode your business and or traffic to your website in not time at all. Its not a gimmick, its not hype, its not creative copy writing... Its Guerilla Marketing, and Im Going to Get You Going! Lucky for you the days of packing up your VW van and posting flyers all over the state are long gone (but still effective). With the Internet being as common place as it is today, There is no better time to start marketing like a true Guerilla. Chances are you know next to nothing about true, chest pounding, hairy, gritty and real Guerilla Marketing. There is an even bigger chance that you thought Guerilla Marketing was no longer practical or in use on the Internet. you are wrong! In fact, some of the most successful marketing campaigns in Internet (and in the offline world) are and were Guerilla Marketing Campaigns. I know you are stumped and wondering why its spelled Guerilla and not Gorilla but relax. Soon youll know all of this and youll know why GM (Guerilla Marketing) is an Internet Marketers best friend. Since I cant ramble on here about the wonders and benefits of GM, I decided to make a very good decision and wrote a book that will make you realize: Guerilla Marketing is So Easy and Effective Itll Make You Scratch Your Head! Before I discovered the true power of GM and all its proven and powerful tactics, I stumbled from various other marketing tactics. The best I could ever do was make my money back and that was rare, usually it was a total loss of my money and my time. I take it you dont want to do the same so... I am

going to show you: Highlights: 1) How Guerilla Marketing Works Today As I mentioned earlier, you dont need to travel all around the town, city, state, country or world to really utilize Guerilla Marketing. 2) How You Can Obtain New Customers For Just One Dollar Obviously I dont mean paying \$1 per click on a Pay-Per-Click search engine. I literally mean you can get new customers for a single dollar. Here is what you will learn inside this guide.... - Consumers prefer Guerilla Marketing over any over method of marketing - How you can get new customers for \$1 - The truth about all the Guerilla Marketing Campaigns youve seen in the news - Using your Bluetooth device to drive customers to your site or business for free - Ingredients of a successful and not so successful Guerilla Marketing Campaign - How you can dominate any niche market for well under \$20 - Why free advertising works much better than paid advertising - The art of selling anything to anyone with Guerilla Marketing - How an offline mailing list will run circles around any online mailing list - The perfect Guerilla Marketing method for any business, on or offline - And a lot more! How Much Is That Worth To You? Ive seen books that dont contain half of the information Im going to give you sell in the stores for thirty, forty, even fifty dollars. Thinking about everyone that sunk their hard-earned marketing dollars into these quick fixes is enough to make me want to scream. If they only knew how much value they were not getting for their dollar! I firmly believe that everyone should have access to this information, which is why Im offering my e-book at a bargain price only \$1.90!
