"SEO Authority" isn't a silly old catalog filled with multitudinous product recommendations and fluff. I'm not sitting here on the other end of this course licking my chops and hoping you're going to go out and buy a series of tools in which I have a vested interest. It's an get-to-the-point, no BS, jargon-free guide to many of the top tools available to help you learn the methods that will help you sprint to the top of the page within the search engines. They'll love your site so much that they'll send you that no-holds barred traffic. You'll be rewarded with wild profits and earnings. And beyond that, it's an examination of several popular search engine tools and it provides an honest, balanced assessment of all of them. It then goes beyond that! It also covers more than a few tools that are still floating around out there that you don't want to use but nobody has bothered to tell you that yet. "SEO Authority" has some extra-great features. It is... Written in a straightforward, conversational manner. It's not an academic tome you'll have to spend months deciphering. It's easy-to-read and makes its points clearly. Constructed to give you more than the rudimentary basics about each tool. Many people fail to use the right equipment because they don't understand why it works or why they might need it. "SEO Authority" provides that information. Designed to provide you with a broad perspective on the tools associated with building search engine-friendly sites. It covers multiple tools and doesn't focus exclusively on one aspect of the overall puzzle. "SEO Authority" is over fifty pages of rock-solid information about the things you can do and use to attract a wide and rushing river of visitors from the search engines -- without paying them for all of those hot, prequalified leads. This isn't a skimpy ten-page "report" that leaves you with more questions than answers. It's the Real Deal! When you're finished reading "SEO Authority," you're going to have your own personal toolbox filled with the things you need to build a search engine friendly site. Plus, you're going to know how to use them and why they work. That's because this guide doesn't just tell you "this is what the tool does." It also tells you whether it works, why and when you might want to use it, and supplies you with the kind of background information that ties it all together so that you can make sense of the whole process. "Let's think about what would happen if you used the right tools to build a search engine-friendly site." You would be able to spend less time spinning your wheels on search engine optimization strategies that don't

do a thing. You would be able to save, spend or reinvest money you would otherwise have to pay out in advertising. Remember, search engine traffic is free traffic. You would be able to post bigger sales numbers or profits than ever before with your huge newfound customer base. That's why "SEO Authority" is here. To allow you to do those things. You can do it! It's a great guide to finding and using the right tools to get to the top of the search engines. Take a look at just a small sampling of the topics covered in "SEO Authority" Submission Tools Backlink Checkers Keyword Generators Spider Simulators Site Maps And that's only a few of the things in the top drawer of the search engine toolbox. "SEO Authority" provides you with much, much more. "SEO Authority" is simply SEO Tool Management made MUCH easier for you! It's an easy-to-read, straightforward guide to many of the top tools available to help you develop a loving and rewarding relationship with the search engines. They'll love your site so much that they'll send you that much-coveted traffic. You'll be rewarded with increased earnings. This resource is, without a doubt, the most thorough and intricate tome of traffic-generating information available on the World Wide Web. Designed for novice, intermediate, and veteran marketers alike, "SEO Authority" is a course that will accomplish what its title promises explaining web traffic in the simplest, most accessible way possible. "SEO Authority" delineates all the things you need to know about traffic, as well as all the strategies you have to master to be able to provide for your online business the great number of visitors that it needs. Consider the following features that can be found in "SEO Authority". A Step-By-Step introduction to the idea of traffic, its value to your business, as well as way more than just the general concepts. Filled to the brim with FREE options, including assessment of why and when you might want to use it! This alone is worth triple the package, as your time is money and searching for these freebies can sap you of your valuable time! Tools and Tips to Save you from time wasting spam emails that are being used by some marketers.. This course tells you how some tools may server only to fill your email box with still more unwanted spam! Tons of "common sense" basics that reveal and demystified to give you a better picture of how easy it really is to get the tools you will need that will catapult your business to the next level of online prominence! 50 Pages This product is inclusive of ready made web site allowing you to resell this software instantly. Additional items such as graphics, marketing articles, promotional text and other items may also included with the package as well.
