Sick and tired of watching by the sidelines as the A-list bloggers make all the money? Discover How You Can Make A Six-Figure Income From Your Blog Using Little-Known RSS to Email Tactics - And Print Money on Auto-Pilot! Step-by-Step Video Tutorials Reveal The Dirty Little Secrets of Millionaire Bloggers - And How You Can Steal Them For Your Own Benefit.. From the Desk of Diamond Dave RE: Becoming a Millionaire Blogger Dear Blogger, Are you struggling to make a decent living online? If you are, what youre about to read on this page will forever shatter your pre-conceived notions about what it really takes to make money from your blog. MYTH #1 - Advertising is A Great Way To Make Money No! Advertising is NOT a great way to make money blog. Not unless youre CNN, Engadget or TechCrunch, that is! The brutal fact is, unless you can somehow get millions of pageviews and a few hundred thousand visitors a month, no one will even think about spending advertising dollars on your blog! MYTH #2 - Write Good Content and The Money Will Come Yeah right! Whenever I hear some say Just write good content and the money will come.. I know for a fact that he hasnt the slightest idea what hes talking about. The truth is, no matter how well you write youll never make money online unless (Ill get to that in a while).. Myth #3 - Get Massive Traffic and Youll Make Lots of Money Sure, if you get traffic you will eventually make some money on the Internet. But the fact is, 95 of people who read your blog today will never come back. That literally mean youre just making a meager 5 of what you could really be making, if only you knew the secret.. So what is the REAL secret to getting rich from all your blogging efforts? Millionaire Bloggers Focus on Just Thing - Building a Bigger Subscriber List! box medium Its true.. If you look at the bloggers who really make a killing online from their blogs, they all focus on just one thing - building a massive subscriber list via RSS or email. Nothing else really matters! Unless you know how to get one-time readers to surrender their names and email addresses - or get them to subscribe to your RSS feed - you will be in the same league as the A-list bloggers. But, just putting up your FeedBurner RSS feed or FeedBurner email subscription form just isnt enough anymore. Theres way too much noise on the Internet right now, as every day thousands of new blogs are created. You need to step up your marketing efforts, and start building a subscriber list aggressively using the latest marketing tools and tactics - just

like the millionaire bloggers do. With RSS to Email I will reveal secret tactics that only a handful of bloggers use to make a six-figure income on the Internet - RSS to Email! Though our simple yet powerful step-by-step video instructions, you'll discover:

- create feedburner How to Sign-up for FeedBurner & Set-up Your First RSS Feed FeedBurner is the de facto subscription tool for any blogger, and you need to use it to manage your RSS feeds.
