Full Source Codes. Affiliate Network Pro is the next generation affiliate network software solution that allows you to start your own successful affiliate network just like LinkShare and Commission Junction. If you are looking to run your own network of merchants and affiliates or simply start an affiliate program for your company, then Affiliate Network Pro is the right solution for you! General Functions: - Integration - Affiliate Network Pro can integrate with virtually any types of shopping cart/payment gateways as well as membership management systems. - Easy to install and setup - Template based software. You edit the look and feel of layout using HTML codes and CSS - Multi-Language system. Ability to run the site in multiple languages by simply adding language files. Great for international affiliate networks - Multi-Currency support. Merchants can now run their affiliate programs in their own region with their preferred currency. - FastPay System allows quick and easy payments to affiliates. Admin can make instant payments to affiliates using one of the supported payment gateways: Paypal, E-Gold, Stormpay or Authorizeand WorldPay - Advance fraud control system with the following features: - Check multiple clicks from same IP - Ability to automatically decline multiple sales from same IP - Set max number of login and delay for unsuccessful attempts - Flexible advertisement media (supports rich media ads such as flash, html, graphic, text, popup banners) - Printable reports and ability to export to CSV format - Real-time tracking of clicks, leads, sales, impressions as well as recurring commissions - 2-tier commission bonus for affiliates. This encourages tier one affiliates to recruit other affiliates. Each time the referred affiliate earns a commission, the tier one affiliate will get a small percentage - 2 types of merchant accounts. The normal type allows one only 1 affiliate program per merchant and advance type allows unlimited affiliate programs for a merchant account. Charge merchants a 1 time or recurring fee for their merchant accounts. - Easy shopping cart integration with Affiliate Network Pro tracking codes - Affiliate Network Pro gives affiliates the option of rotating banners on affiliate sites. This means that Affiliates will be displaying fresh, dynamic, eye-catching banners each time their pages load. By rotating banners, affiliates can work out which of the ads generates the most profits - Enhanced Security. Only one admin session is supported at anytime for added security - SecurePay System ensures that merchants can

never upgrade a merchant account or perform any transactions through the system without paying.

Payment will be successful only if it satisfies a unique key combination which will be randomly generated for each payment. Tags: cj
