

# How To Save Your Marriage And Keep Your Family Together

[DOWNLOAD HERE](#)

Here is a taste of what you will learn inside How to Save Your Marriage and Keep Your Family Together:

- The truth about the contract of marriage.
- Little known facts you may not have considered involving the economics of divorce (including the true financial cost of ending your marriage).
- Does divorce really make you happier? We've got the stats.
- Why divorce lawyers aren't really on your side.
- The secret behind "painless divorces" and why they don't really exist.
- How divorce can affect your child. It may be hard to read this.
- 6 statistics that may convince you to stall any plans you have to leave your spouse.
- Why negative thinking may be the real culprit behind your failing marriage.
- How successfully married couples view their relationship. (This can make the difference between a happy or miserable marriage.)
- The power of the words, "For better or for worse."
- 7 simple pleasures of marriage you may have forgotten about.
- The unspoken, unwritten 2nd contract of marriage that successful couples abide by.
- The secret to a successful marriage through partnership.
- The difference between the sexes and how to use it to help (not hurt) your marriage.
- How Bill Cosby explains the sexes to the rest of us.
- 5 times during your day when the anthem "Don't sweat the small stuff" just doesn't apply.
- A new way for looking at money and finances (that might save your marriage).
- Why you've stopped talking and how to get the conversations flowing again (without any awkward moments).
- How to recognize turning points in your marriage and stop last chances from becoming lost chances.
- 5 fundamentals that every marriage expert or counselor agrees is crucial to your relationships happiness.
- What friendship means inside a marriage (and how to find it).
