You will also get a simple 7 point checklist to help you get the best value for every dollar you spend, whatever you plan to buy. By reading and following the suggestions in this report, you will quickly begin to increase the amount of extra money in your pocket (or pocketbook). You

will save gobs of money without turning into a penny-pinching tightwad, making drastic changes in your lifestyle, or eating baloney and beans for the next year (unless you like baloney and beans).

***** How To Give Yourself An Instant Raise!

***** After reading this report, you will see why saving money is 100 times easier than trying to earn more money. Did you know saving money is better than making more money? Its better because its not taxed. Yes, the money you save on your purchases is like getting a tax-free raise! This report shows you over 199 ways to give yourself a solid tax-free raise! Earning more money without saving can be hazardous to your wealth. Think about it, if making more money alone was the answer you would not see so many millionaire athletes, movie stars, and business people filing for bankruptcy on a daily basis would you? After applying the simple ideas you will be amazed at how much money has been slipping through your fingers. Are you leaking money? The information in this book will help to plug up the tiny holes in your financial pockets. Through these holes, you are quietly allowing others to legally steal your money. This report will be your financial stop-leak solution to this problem. If you are unemployed, living from paycheck to paycheck or homeless, you will discover you do not need lots of money to get the best bargains and wholesale price breaks. This Secret Knowledge Is Your Power!

***** Real Reasons Why Reading This Report Is A Wise Investment *****

***** By taking the time to read the words in this report and following the suggestions, you will be making the first of many wise investments. Unlike other things you may buy in life, once you have this knowledge, no one can take it away from you, not even the I.R.S. The valuable knowledge in this book will have an additional benefit of helping you to create your own unique money-stretching ideas. You will find others coming to you for advice, and to your surprise, you will have the answers. Reading this report will be like participating in your own personal treasure hunt. You will find why saving money is more fun than sex ... and less costly too!
