Dear Entrepreneur... The Internet Has Changed The Way Network Marketing Is Done The Industry Has Changed, But Have YOU? Discover How You Can Easily And Quickly Create Endless Leads And Downlines In Your Network Marketing Or Home Business By Leveraging On The Power Of The Internet!

From the Desktop of , Date: Wednesday, 2010 Dear Friend, There is a huge difference between traditional network marketing and new age network marketing... one is the new wave and the other is almost obsolete. If you don't believe me, then ask around if cold calling strangers is the best way to build a solid downline? Does someone wake up one morning and get all excited about talking to a stranger? Obviously not. Old school network marketing prospecting methods are not only outdated, they are also harmful to the environment! The truth is: If You Do Not Know How To Adapt To The Latest Lead Generation Methods, Then You Are Still Bring Your Swords And Shields Into Modern Warfare! It's time to do away with your 'bell bottoms' and cassette players and to start doing what really works in the 21st century! Consider that more and more people are leveraging on social networking tools, lead capturing pages, sales letters, autoresponders and a lot of tools (that the older generation might find 'fancy') that are considered the mainstream of today! People are learning the art of leverage and automation. They are sucking in leads like nobody's business! Which brings us to a very important aspect I must talk about here: Lead Generation Is The Most Important Activity For Your Networking Business Cutting Off Your Leads Is Like Cutting Off Your Food Supply! People who struggle in network marketing will find that the following facts ring a bell: *You buy dead beat leads hoping to get leaders into your team but all you get are defunct genealogy leads. Is this your idea of long term lead generation? *You run out of names to call on your name list and your upline asks you to go through them again and again. Do you plan to annoy your friends to death? It's no wonder they hate network marketing! *You spend money on name cards and place them on the windshields of random cars would YOU respond to a business opportunity that way? *You also try your best to cold call strangers on the phone, telling them to look at a 'business opportunity' but you are afraid to tell them that it is a network marketing business. *Many more problems untold Well fret not With these strategies that Im about to share with you, you will have no problems when

it comes to building a solid network marketing business! Introducing 21st Century Networking And Social Dominance! Be A Leader And Build Connections With Anyone In Your Industry!
