Included For A Limited Time! Date: Sunday, September 30, 2007 From: Gary McCaffrey & FBM Dear Friend, How much of your web traffic leaves without buying your products or opting in to your list? ... 60? 80? If your like most internet marketers, its probably closer to 98-99! You work hard to get visitors to your websites, and the vast majority will leave never to return again! Okay, so what can you do about it? What if there was an easy way to make money from the people who choose not to buy your products? Something that would continue to work for you, increasing your income week in week out... ... a solution like this simply didn't exist, until now! Introducing The Brand New... 'Exit Survey Pro' Exit Survey Pro deploys an unblockable pop up survey whenever someone leaves your site without buying or opting in to your list. It has been tested to work in any browser, and is 100 unblockable by any popup blocker available. The first time I used an exit survey on one of my sites, the feedback I received after just one hour was worth GOLD! I plugged it into one of my free membership sites, and in less than one hour I had two people leave comments that they didn't join the site because they couldn't afford it. I was SHOCKED! I thought it was clear the offer was free, obviously not. I looked over the site again, made a few adjustments and my opt-in rate skyrocketed instantly! I dread to think how much subscribers and profits I would be leaving on the table had I not made those changes. What 'Exit Survey Pro' told me in just one hour, would have taken months using split testing software, not to mention the thousands of dollars in profit I would have missed out on... Don't get me wrong, I'm not saying split testing is dead, or that you shouldn't do it, you should. But nothing can give you results as quickly as this unblockable exit survey system. Combine this with a split testing solution and you would instantly become one of the most efficient testers in internet marketing. Its Easy To Use 'Exit Survey Pro' & Give Yourself A Pay Rise Almost Every Day Once you know why your visitors aren't taking you up on your offers, all you have to do is revise your copy and

watch as your conversions shoot through the roof! 'Exit Survey Pro' only takes a few minutes to install on your site. After that it works for you everyday, continually telling you what you need to do to improve your copy, increase your conversions, and increase your bank balance, over and over again! :) So how much would you pay for this invaluable information that really will save you hundreds of hours split testing, and really can give you a pay rise everyday? $147? $97? Well no, its worth MUCH more than that! But since this is brand new, I have decided to test the water and price this product at just $14.95, at least until I get a few testimonials to put on this site... ... and I know I'll get lots of testimonials very quickly, because 'Exit Survey Pro' has an instant impact on results! So order now to avoid disappointment when the price goes up... Yes! I want to order the "Exit Survey Pro" software for only $14.95.
