Why hire an expensive ghost writer or buy high-priced resell rights to other people's products when you can easily create your own original articles and information products? Just imagine all the profitable ways you can use these prewritten business tips 1. Create Articles For Your Web Site - Add your own resource box/byline to the articles and publish them on your web site. You could allow your visitors to republish the articles if they also publish your resource box. This will spread your ad all over the Internet and increase your link popularity for free. 2. Create Articles For Your Ezine - Add your resource box/byline to the articles and publish them in your ezine. You could allow your subscribers to republish the articles if they also publish your resource box. This also will spread your ad all over the internet and increase your link popularity for free. 3. Create Free

Bonuses For Your Products - It could be free ebooks, reports, ecourses, etc. They will increase the perceived value of your product and give them extra incentives to buy it.

4. Create Free Bonuses For Your Free Ezine/Opt-In List - It could be free ebooks, reports, ecourses, etc. They will give people extra incentives to subscribe to your free ezine or opt-in list.
5. Create A Free Viral eBook - You could allow other people to give away the ebook for free or as a bonus product. They will multiply your ad like a virus. You also could submit it to some free ebook directories.
6. Create For Sale Info-Products - You could use any or all of the tips to create brand new information products to sell. I'll allow you to re-write, re-edit, add to, subtract from, add your name as the author or pretty much anything you want to create your own the original information products.
7. Create Articles For Other Ezine Publishers - Add your resource box/byline to the articles and submit them to e-zine publishers. There are thousands of e-zine publishers looking for free content.
8. Create And Submit Articles To Ezine Article Directories - Add your resource box/byline to the articles and submit them to some free article directories. People visit these directories looking for free content to use on their web site or in their e-zine. This will spread your ad all over the Internet and increase your link popularity.
9. Create And Trade Content With Other Web Sites - Add your resource box/byline to the articles and trade content with high traffic web sites. You could offer to publish their content in exchange for them publishing your content. Its a free way to get your ad on high traffic web sites.
10. Create And Trade Articles With Other Ezine Publishers - Add your resource box/byline to the articles and trade content with high circulation e-zine publishers. You could offer to publish their article in your e-zine in exchange for them publishing your article. Its a free way to get your ad in high circulation e-zines.
11. Create Articles And Promote Other Peoples Products - Add your resource box/byline to the articles. Your resource box/byline could be promoting an affiliate program or mlm that you have joined. Allow or find other web sites and e-zines to publish the articles.
12. Create Promotional Articles For Your Affiliates - Add your resource box/byline to the articles and allow your affiliates to add their affiliate link to the articles or create a brandable free ebook they could use. They will have plenty of powerful affiliate tools to promote your product.
13. Create Info-Products And Sell Resale Rights - You could use any or all of the tips to create brand new information products.
