

The Secret To Quick Cd Autoruns

[DOWNLOAD HERE](#)

This eBook will show you every step you need to know to take something that look like that: And make a small program you can put on your CDs or DVD that will launch when you insert it (often called an autorun) that looks will like : The only limit is your imagination and HTML skills! You will be able to start from scratch, taking any design or sale page that strike your fancy and create those autorun that will add a professional touch for your physical products. How? Some time ago, Microsoft has introduced a great technology called HTML for Applications, or .hta for short. It allows you, with minimal effort, to create small programs from HTML files.
