Discover The Simple Techniques That Will Bring Dirt Cheap and Even 100 Free Traffic To Your Website Within Minutes That Can Have You Profit in Less Than 24 Hours 100 Guaranteed! COMES WITH MASTER RESELL RIGHTS # How to start when you have almost no money: bankrupt, broke and on the run. Right now, you may be having financial difficulties. I will give you some smart ideas to get out of this unpleasant situation (without robbing a bank). # How to find affiliate programs to promote. You will discover the easiest ways to find affiliate programs worth promoting - as well as some little-known products that pay well but not many people promote. # How to promote affiliate products online the right way. Let the controversy begin. I will show you how to "tinker" with the merchant's site and increase your affiliate commissions 100, 200 or more. Some of these methods ain' pretty - but they work like gang busters... # How to get preferential treatment from merchants. I will show you how to negotiate higher commissions from merchants - without sounding needy. These methods are pretty evil, if I say so myself... # Email marketing and how to create killer follow up messages that make you money on autopilot. You may have read entire "bibles" on email marketing. I will give you in a couple of pages what you really need to keep in mind. Do this, do that. # How to use forums to kick-start your promotions, test your marketing message, make sales, build credibility in your market and build a list. Oh, and if you think you know how to REALLY market on forums, don't bet your house on it :-)

How to tap into the online service "Yahoo Answers" to gain market intelligence and tap into people who are ready to buy your product. Almost everyone is "working the system" the wrong way! I'll show you how it's really done. # How to get on the first page of the search engines for the best possible terms. And no, this has got nothing to do with "long tail" keywords or building "content sites". We are lazy so we'll take a shortcut that results in less work and more money! (now that's my kinda system :-). # And much, much more! Discover... * How to get started and profit in 7 days or less. * The best kinds of products to promote using this method * Discover the 8 traffic techniques I use. * Ride on the popularity of GURUS to promote your own business * Choose domain names that will speed up your success rate Discover... * What is Affiliate Marketing and why you should become an Affiliate Marketer Affiliate Marketing is one the quickest ways for you to start a

home-based Internet business without producing your own products, worry about staying up late to take care of customer service, inventory, overheads, and more. You are selling other people's products and earning commissions that reward you. * Things Every Newbie Should Know Before Becoming an Affiliate Marketer Don't know where to start? Signing up with too many E-newsletters to find the best way to make money in this industry? Stop right there. Everything has a starting point, but being a newbie doesn't have to be scary. Don't overwhelm yourself and you will learn five tips you need to know before getting up and running. * Different Types of Affiliate Marketing Revenue Sources There is not just one way to make money in Affiliate Marketing; in fact there are many more. The question that may be in your mind is what type of affiliate program should you choose? Which one is better for you? ...and which was is not the best for you? You'll learn how to figure that out. * How to Find the Right Affiliate Program to Join Finding the right affiliate program that you are passionate about can be frustrating. There are thousands of affiliate programs out there, so which one should you choose? It can be a challenge when you don't know where to start, but you'll learn how to quickly pinpoint programs that are right for you so you can be passionate about them. * How You Can Find The Best Affiliate Programs Finding the highest converting and reliable affiliate program is very important because you are going to be putting your hard work into promoting the affiliate program. Not only do you want to find something you believe in, but you'll want to be making a good profit from it. * 5 Reasons why people fail in Affiliate Marketing As you learned earlier, more than 95 of people starting as affiliate marketers fail and you'll learn 5 reasons so you can avoid them to increase your success. * 4 Ways to succeed in Affiliate Marketing with a Website Having a website is vital to branding your name on the Internet. As a matter of fact, having a website or landing page can often increase your conversions vs. not have a website at all. Not having a website it not required however, but you'll learn 4 ways that you can succeed with one. * 4 Ways to succeed in Affiliate Marketing without a Website A website is definitely recommended, but it is not always mandatory. You'll learn a few ways to succeed without a website. * Using Affiliate Programs to make Long Term Residual Income If you don't know what residual income is, then you are missing out. You see...instead of earning a commission for one time sales, you can make continuous commissions on a monthly, quarterly, continuing basis. Looking to a long term residual income will save you time and allow you to increase your profits down the road. * How to Protect and Cloak Your Affiliate Links There are thieves out there on the Internet who can steal your commission. Don't worry, there are ways to protect your affiliate links, but you need to know this right

away. You can cloak or hide your affiliate links with short redirects.
