Totally Debt-Free Lifestyle(retail value \$67.00) "Learn How You Can End the Fear and Worry Created by Bad Credit and Debt Collectors...Get Out of Debt Quickly and Easily, Right Now!" From the Desk of Timm Miller Memo: "There's No Better Time Than Now!" Dear Friend, Do you need help eliminating the bad credit on your credit card or other debt? Are you constantly tired of being humiliated caused by bad debt or credit? If commercials, radio ads or billboards are leaving you a bit jumpy, you need help! If you're wondering who you should call or ask for advice, look no further...That's where I come in! My name is NAME and I've been sharing my methods and techniques of getting out of debt, quickly and easily. I've had some bad financial situations in my life, but I've learned from those experiences and used what I've learned to my advantage. Tell Me If This Sounds a Bit Familiar... A friend calls you up one day and asks you to go out for lunch. You remember, you don't have any cash! But you decide to go anyway, knowing that the meal will only cost a couple of bucks and it's no problem charging it on to your Credit Card... The next day, you're at the mall and you see the Jacket you've been eyeing for a while and surprisingly it's for sale that day for 50 off regular price! Again, you have no cash -- So you whip out your Card and put it on Credit. The same day you bought your new jacket, you just remembered a friends birthday is coming up and since your at the mall... Another credit card swipe! Later that week, you remember to go out to purchase groceries...Might as well use your credit card to save a trip to the bank, right? WRONG! Okay, this example may be a bit extreme, but the point is -- Even the smallest insignificant credit card usage can build up and create a problem...a big problem that can have some long term disadvantages. Remember, I've experienced the same problem. But after learning how to control my debt, and using a few methods and techniques I've discovered, getting and staying out of debt is really easy! And My Methods and Techniques Can Work For You! I know my methods will work for you, because the same methods worked for hundreds of individuals just like yourself! However, I don't expect you to believe me after I show you exactly what I am talking about... I promise, whatever bad credit or bad debt your in, can be fixed! Your situation is not unique and your problem is not hopeless! The Biggest Myths When it Comes to Bad Credit! There's a lot of misinformation floating around when it comes to debt management and credit

reporting...Here are the top 3 Myths when it comes to debt management... Myth #1 *Paying a debt will remove it directly from your credit report. Late payments, tax liens and collections will usually stay on your credit report for the next seven years! And this will lower your credit score Myth #2 *Canceling credit cards will improve your credit score. Wrong! If you cancel or close a credit card you had for a long time, you're effectively shortening your credit history...It's better to keep your card with an amount of zero to raise your score. Myth #3 *Paying for cash will help increase your credit score. Paying cash is a great way to stay out of debt, but it can hurt your overall credit score. Your score is determined by your credit history, which means having and using credit could be good...if you can control it. Here's How You Can Get Out of Bad Debt and Have a Debt-Free Lifestyle Starting Today!
