Here is a sample of what you will learn inside What You Need to Know Before Adopting a Baby:

Requirements for becoming an adoptive parent Well introduce you to some of the requirements that might be out there, to give you a better idea of what to expect. In the areas that we cant give specific information, well give you guidelines for where to look so that you arent being bounced around when trying to figure it all out. Preparation of YOUR adoption plan This plan plays a crucial role in the process, and helps you visualize exactly where you are in the process. Instead of sitting by while the adoption agencies and courts decide your fate, youll be able to be proactive in the process. Types of adoption There are numerous types of adoption...and some of these types have subtypes of their own. Well break them all down and allow you to analyze which is best for your specific situation. What costs can you expect to incur? In this chapter, we try to give a rough idea of what to expect in terms of financial outlay. Adoptions can be quite expensive, but well offer a few ideas for you to look into that may be able to offset some, or most of the cost involved.
