"Get Targeted Opt-Ins Using This 'Squeeze Pages For Newbies' Report & Squeeze Page - Now Available With Private Label Rights!" Attention: Internet Marketers... As fellow Professional Internet Marketers, there's no need for me to go into some long detailed story about the importance of building opt-in lists - you're already well aware of that need, right? And unless you just started your online business earlier today, you also know that the most effective way to build opt-in lists is with squeeze page systems, right? You give away a FREE REPORT chock-full of great, valuable, relevant information to targeted prospects for signing up for your opt-in lists, and you monetize the report, confirmation page and download page with your products & services, affiliate links, blog URLS or whatever... So what could be more appropriate for building opt-in lists of tightly targeted leads than a report on using squeeze pages? Since squeeze pages are used strictly for building opt-in lists, those interested in this report are obviously going to be online marketers, be they Internet marketers, affiliate marketers or niche marketers, right? So don't waste time with a lot of researching and writing for your next list-building project - instead just use this ready-made... Squeeze Pages For Newbies Report! Your Squeeze Pages For Newbies Report is a no-fluff, 19-page report that gives your new subscribers the information they need while still being short enough they won't give up before getting to YOUR Recommended Resources (and affiliate offers) at the end of the report! You can process this report any way you like - retitle it, add your name as author or promoter, rewrite some or all of it, remove or add sections, use the PSD graphics to change the images, add in your product recommendations and links to your sites, blogs and/or affiliate offers - or simply use the unbranded PDF version just as it is, strictly as a list-builder. Here's what's in your new report... Introduction... Squeeze Page Systems... Before Getting Started... Planning Your Theme... Writing Squeeze Pages That Convert Visitors Into Subscribers... How to Increase Your Conversions... Getting Targeted Traffic to Your Squeeze Page! Naturally, You Get PLR To The Squeeze Page Too!
