Maintaining Customer Relations and Why It is Important! Description: A book like this had just been waiting to be written. Heres something almost none of the Internet Marketing courses you will ever find would talk about at all yet its something majority of us would only discover after going into business for ourselves. Customers are King tackles some of the most common issues in doing business online or offline and provides a practical guide to handling customer dissatisfaction, refunds, improve your paid subscriptions retention rate, and more. Inspired by real life experience, this life manual to handling your customers is now yours for the taking. Product Rights: You Receive The Full Private Label Rights To This Book in PDF Format, Raw Word (DOC) File and Editable Photoshop Source to the eCovers.
