Secrets Of Getting Your Mailings Open You finally realize that you need a good opt-in list. After reading countless articles and sought expert advices and have read many success stories of people creating a small fortune with opt-in lists you finally decide to have one of your own. Then it happens, you think you have known everything there is to know about opt-in lists and have followed their advices to the T and you still werent able to make a profit. In fact, you may be losing money. You maybe hiring writers to help you out, or there are some expenses incurred, even if you have a big list, but only a very small percentage actually buys from you, your still losing profit. Youll realize that after a few months when you see your statistics and sales figures. So what could have gone wrong? Why have others succeeded where you have failed? The most common mistake is that you dived straight right in. You chose a topic where you think could be quite popular and would earn you money. This just not the case. Just because you wrote people from the list doesnt mean they are going to buy instantly. Join forums from other sites as well. Provide expert advices and recommendations. When you feel that people trust you already, you will be able to start your own opt-in list. You can build a base as well with other forum users. You can ask them to join your list. Friends are always good customers. Put up a link to your site so that they may be able to see what you're internet business is all about. The certain truth is, the money will only come in when the consumers and subscribers believe and trust in you. They want a product or service that could be a good exchange for their money. 28 Pages
